CONTENT PROJECTS

Colors in UMKC

Instagram Reel

Personal Content Project

2026

- Co-created a short-form video highlighting UMKC's campus diversity from an international student perspective.
- Used color as a recurring visual device to connect people, spaces, and everyday moments across campus.

Korean Games You Should Try

Instagram Reel

Personal Content Project

2026

- Collaborated on an Instagram reel promoting KC Arirang through an introduction to Korean traditional games.
- Structured the Instagram reel around fast pacing and interactive prompts to make the cultural content approachable and encourage participation.
